How to use this checklist

Learnt

You have studied the line and could explain it to someone else.

Practised

You have answered questions on it, timed, and reviewed every miss.

Confident

You get it right consistently, in mixed questions, at 108 seconds a question.

Work by session, not only by paper. From January 2027 each FLK is sat as two sessions of 85 questions, and each session covers a fixed group of subjects. The checklist follows that order.

Ethics runs through every session. Ethics and Professional Conduct can appear in any session of FLK1 and FLK2, and Solicitors Accounts appears in both FLK2 sessions. Tick their pages more than once.

Taxation sits inside its subjects. You will find it within Business Law and Practice, Property Law and Practice, and Wills and the Administration of Estates.
